**Products**  
Milling indexable inserts  
Walter BLAXX M3255 porcupine  
milling cutter with insert WSM45X  
for the machining of titanium  
structures

**Technologies**  
Dynamic milling  
Suitable milling tools and  
CAD/CAM systems are required  
for the dynamic milling strategy.  
Walter MD133 Supreme is  
precisely tailored to this process.

**Services**  
CAD/CAM process is important  
to get the highest performance  
from our tools. Our team of  
engineers is ready to support  
customers, developing  
outstanding solutions.

**WALTER ITALIA SRL**  
*Why not take your technology  
to the next level? It's easy with  
solutions that are leaps ahead  
of the standard. That's because  
our innovations represent our  
collective experience and  
engineering expertise - just  
what's needed to boost your  
productivity and your cutting  
edge.*
